Your role will involve creating original and engaging articles related to architecture, including topics such as design, structure, landscape, and other relevant themes.

Each article should have a minimum word count of **500** words, with no maximum word limit, and must be accompanied by relevant architectural images to enhance the content.

You will work under the supervision of **(Person Name)**, who will guide and review your contributions to ensure they align with the standards and vision of Archi-Monarch.

The mode of communication for this position will be online, either through email or phone, depending on mutual convenience.

Please note that there is no fixed time limit for writing and submitting articles. Once an article is submitted, it will go through a review process, and upon approval, the payment of ₹**500 per article** will be initiated.

The amount will be sent online via UPI to **(Person Name)**, who will then forward the payment to you.

After completing your article, please send it to **(Person Name)** at the following email address: **Person Name @gmail.com**.

We are pleased to inform you of the promotion policy at Archi-monarch. Once you have successfully completed 50 approved articles, you will be promoted and we will create a personal writer ID for you on the Archi-monarch website.

At that point, you will be able to log in directly to the website and submit your articles independently through the platform.

Along with this promotion, your payout will increase by 100%, meaning you will receive ₹**1000 per article** going forward.
